

Cancellation Policy | Pilates Classes

If you need to cancel a Pilates class and to avoid being charged or losing your class credit:

IN PERSON classes must be cancelled within 24 hours

ONLINE classes must be cancelled 6 hours before

This allows enough time to offer the space to someone else. We do not offer refunds.

Cancellation Policy | Memberships and Bundles

We do not offer refunds or extensions on our bundles or memberships except for extreme circumstances. Please contact us to discuss any extenuating circumstances. These are offered at our discretion.

You can cancel your membership at any time. The next payment due will not be taken and you will be able to use up any class credits up until that time.
